

Index

Units have been listed numerically in this index. The Cross Reference in Section IV (pages 609-675), can also be referred to for home of records and units of individuals killed in action and for whom an installation or facility was named. All other fire support bases and landing zones which existed in Vietnam that do not appear in this index are included in this volume on pages 448 to 461 and on pages 676 to 687.
